The Egg Question.
The problem of finding a cheap poultry food that will increase egg production during the winter, when eggs are high, has been solved by those farmers who purchase Green Out Bone and Meat for their poultry. C. S. Page of Hyde Park, Vt., grinds many thousand pounds annually of this article and is this year selling it for \$2.50 per barrel of 200 pounds, freight prepaid to buyer's railroad station. There is now no necessity for going without this staple poultry food. If you cannot use a barrel yourself, get some of your neighbors to join in with you. You will find it valuable as an egg-producer.

TRIAL OF THE PACKERS.

Important Leading Questions Ruled Out in Chicago Trial.

Chicago, Feb. 1.—Edward Morris, vice president of the Fairbank Canning Company, resumed the stand in the packers' trial yesterday. Under cross-examination witness admitted that he is a director in the National Packing Company, but an effort to get the names of the other directors was ruled out. He denied that Commissioner Gardfield's report showed any of the profits or losses of the company. When Gardfield wanted to examine the books, he said, he refused because he wanted to consult his attorney.

"Was there anything in those books to show you had violated the injunction against restraint of trade, granted by Judge Grosscup of the Federal Court?" was asked.

A chorus of objections greeted this question, and Judge Humphrey ruled it out, declaring that the present case is so closely allied to a criminal case that great advantage might be taken in the main case from the testimony secured in the present hearing.

WANT VICEROY REMOVED.

Assassination of Giamoff Brings Agitation to a Head.

Tiflis, Caucasus, Feb. 1.—The assassination of Gen. Giamoff, who was killed by the explosion of a bomb thrown at him Jan. 29 by a man disguised as a painter, has brought to a head the military which regards with disfavor the policy of the viceroy of the Caucasus, Count Von Vorontzoff-Dashkoff, in the war between the Tartars and Armenians. The two races, it is said, will appeal directly to St. Petersburg for the removal of the viceroy, and they are secretly supported by high officials.

It is established that the murderer of Gen. Giamoff, who has not recovered consciousness from the terrible beating received from the soldiers who arrested him, is a student of Imzerita (government of Kutais) named Dzygashvili, a member of the fighting organization of the social revolutionists.

LEGISLATIVE WOLVES?

Speaker at Insurance Dinner Uses Picturesque Simile.

Chicago, Ill., Feb. 1.—At a banquet of the Life Underwriters' Association, Tuesday night, Paul Korsch of Rockland, Ill., referring to attempts, in many cases successful, to influence state legislatures, said the insurance companies are in much the same position as travelers in Russia, who throw pieces of meat to the forest wolves to keep the pack from attacking them.

Many of those present were delegates to the life insurance convention called by President Roosevelt, which held its first session yesterday.

FEEL EVERY CHANGE OF WEATHER

A Bad Back Is Always Worse During Wet or Changeable Weather.

Is your back like a barometer? Does it foretell every change of weather? Does every cold settle on your kidneys? Bring aching, throbbing pains? Does it disorder the urine? The Kidneys are calling for help. Use Doan's Kidney Pills. Guaranteed by Barre Testimony.

Mrs. Margaret Reid of 40 Maple avenue, Barre, Vt., says: "For more than three years I was bothered out and on with a severe backache. At night I would suffer so that I could not sleep and arose mornings feeling tired and unrefreshed. During damp weather I was always worse and although I wore plaster I obtained only temporary relief. Doan's Kidney Pills were recommended to me and I went to E. A. Drown's drug store for a box. They seemed to help me after I had taken only a few doses. I continued using the remedy until the pains in my back were relieved and I could rest better nights. My health was benefited in other ways, and I am glad to recommend Doan's Kidney Pills whenever occasion arises."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
